

REMARKS

The specification has been amended to include headings in accord with standard U.S. practice. The claims have been amended to eliminate multiple dependents, correct typographical errors, and clarify the subject matter being claimed. No negative inference related to the scope of the claims should be made from any of the above.

It is submitted that the claims are in order for allowance, and prompt allowance is earnestly requested. Should any issues remain outstanding, the Examiner is invited to call the undersigned attorney of record so that the case may proceed expeditiously to allowance.

Respectfully submitted,
